

## Nashville Humane's Dog Days Fundraiser – 10/13/07

This past Saturday, October 13th, Guardian Angels for Soldier's Pets, in conjunction with Soldiers' Angels, participated in the Nashville Humane Association's "Dog Days In The Park". This is an annual fundraiser for NHA, and we were pleased to be an important part. This opportunity enabled G.A.S.P. to get our information out to the thousands of people participating, and we were even fortunate to be interviewed by the local Fox News! Our own baby, Clancey, our 4 year old, 200+ lbs. Great Dane, even won the "Biggest Dog" award and came home with a blue ribbon and a \$25 gift certificate from PetsMart. Thank you, PetsMart!!

It was a perfect day, weather wise, and the children had a blast creating drawings that will be included in the Soldiers' Angels "Holiday For Heroes" stockings & mugs that will be sent to our deployed heroes everywhere. We can already see the smiles on the faces of those soldiers as they open their holiday gift bags & find a beautifully drawn child's picture! Our heartfelt thanks to the stores that donated the supplies needed: Office Depot in Dickson, TN, & Staples in the new Nashville West mall in Nashville, and of course, to Soldiers' Angels for their continued support!

On a different note, we continue our search to find community volunteers to spread the word about G.A.S.P. by sending out brochures to vet's offices, animal shelters, military units, posts, & recruitment centers, etc. If you would like to volunteer your time to do this, please email me at [GASP.TN.Volunteer.Dir@gmail.com](mailto:GASP.TN.Volunteer.Dir@gmail.com). We are also looking for Foster Home Caregivers that are willing to take in a soldier's pet and keep them loved and safe, until the soldier returns. If you are interested in being a caregiver, please email me at the address above.
